PROFESSIONAL SUMMARY

Product Designer based in Berlin, MA in Visual and Experience Design (UE Berlin), 8+ years across product, brand, and visual design. Focused on B2B software, internal tools, and data-heavy interfaces. Designed and shipped the internal ERP at Duo Sicilian Ice Cream, used daily across 9 locations, 6 departments, 23+ staff. End-to-end skills: user research, information architecture, Figma, design systems, prototyping, engineering handoff.

PROFESSIONAL EXPERIENCE

Product Designer - Duo Sicilian Ice Cream, Berlin, Germany

October 2024 - Present

- Designed and shipped Duo's internal ERP from zero, used daily across 9 locations and 6 departments (operations, logistics, production, HR, finance, management).
- Owned the full product process end-to-end: discovery interviews, information architecture for 40+ document types, wireframes, Figma prototypes, high-fidelity UI, design system, developer handoff, post-launch iteration.
- Designed a role-based access model with six distinct roles, reducing onboarding friction and preventing accidental edits across modules.
- Built a three-state status system (ok, warn, critical) applied consistently across inventory, expiring items, HR compliance, deliveries, and production.
- Shipped 13 modules: dashboard, inventory, flavours and stock, expiring items, movements, orders, deliveries, logistics GPS, suppliers, production, staff, reports, settings.
- Use the system daily as an operator, creating a continuous feedback loop with users.

Product Designer (Freelance) - TaurusWebs, Bogota, Colombia (Remote)

February 2019 - Present

- Lead designer for custom internal platforms and client-facing applications built from scratch.
- Designed the Taurus Ecosystem, a unified internal workspace combining CRM (Twenty), knowledge base (AppFlowy), encrypted chat (Matrix), tied through single SSO identity. Owned discovery, IA, user flows, Figma UI, prototype, stakeholder pitch.
- Translated complex technical and infrastructure decisions (data sovereignty, hosting, security) into product narratives for non-technical stakeholders.
- Led brand identity, web design, and creative direction for client work across Latin America and the USA.

Senior Graphic Designer and Lead Designer - Greens Group (Greens Supermarket, Fresh To Go, Blok Foods), Swieqi, Malta

August 2019 - November 2023

- Led visual identity and digital design across three food brands. Promoted from Graphic Designer (Aug 2019 - Aug 2021) to Senior Graphic Designer (Sep 2021 - Nov 2023). Lead Designer on contract for Blok Foods (Feb 2022 - Nov 2023).
- Designed and shipped multiple brand websites for the supermarket chain, from concept to live deployment.
- Built a multi-channel design system across web, photography, video, animation, packaging, and in-store communications, keeping a multi-person creative team consistent across parallel campaigns.
